

Scholarship Opportunity for Automated Engineering / Welding students

ABOUT ENBRIDGE:

Over the past 65 years, Enbridge has become a leader in the safe and reliable delivery of energy in North America and is proud to be recognized as one of the Global 100 Most Sustainable Corporations in the World.

Enbridge transports, generates, and distributes energy, operating the world's longest, most sophisticated crude oil and liquids transportation system. The company has a significant and growing presence in the natural gas transmission and midstream businesses, and an increasing involvement in power transmission. Enbridge owns and operates Canada's largest natural gas distribution company. In addition, they are expanding their interests in renewable and green energy technologies including wind and solar energy and geothermal.

Enbridge has been named one of Canada's Top Employers and was voted one of the Houston Chronicle's Top Workplaces in 2014. They frequently hire candidates in the following areas:

- Engineering: Civil, mechanical and electrical engineers
- Information Systems: Systems and business analysts and developers
- Pipeline Operations: Electrical and mechanical technicians, plant and system operators and pipeline maintenance personnel
- Accounting: Accounting and financial analysts, internal auditors and tax accountants

ABOUT THE SCHOLARSHIP:

Enbridge is generously offering a \$1000 scholarship (\$500 for two semesters) to students at Kishwaukee College who meet the following criteria:

- 3.0 GPA
- Resident of DeKalb or Ogle County
- Currently Enrolled in Automated Engineering , Welding, or similar coursework

**KISHWAUKEE COLLEGE FOUNDATION
ENBRIDGE SCHOLARSHIP APPLICATION**

Please complete the following to be considered for this scholarship:

STEP 1 – Personal Information.

Name (First and Last): _____

Current Address: _____

City, State Zip: _____

Best Phone # to reach you: _____

Email: _____

Identification Number* _____ Kish Student ID Last four digits of SSN#
