

Gain a competitive career edge with personalized service.

Elgin Community College's Accelerating Opportunity program helps you obtain career skills quickly—often in one year.

PREPARE FOR HIGH-DEMAND CAREERS IN:

- Computer Integrated Manufacturing (CIM)
- Computer Numerical Control Operator (CNC)
- Dental Office Aide
- Heating, Ventilation, Air Conditioning, and Refrigeration (HVACR)
- Integrated Systems Maintenance Technology (IST)
- Welding

ENROLL IN THE PROGRAM TO ENJOY THESE BENEFITS:

- Additional academic support tailored to your area of study
- One point of contact provides individual and job search assistance
- Three-credit hour-tuition waiver, and loaner textbooks, if you qualify
- Employability skills training—get and keep your job
- And more!

Start working toward your bright future—now! For information on HVAC and Dental Office Aide contact Pete Almeida at 847-214-6944. For information on Welding, CIM, CNC, and IST contact Kathy Meisinger at 847-214-6947.
